

Minimum System Requirements to Run DOD EMALL

If you are having problems with the DOD EMALL site on your computer, make sure the following requirements are met. If you do not have the correct versions of the software required, click on the link and it will bring you to the site where you can download it for free.

Note:

- Use of DOD EMALL requires [Internet Explorer 8.0+](#) or [Mozilla Firefox](#) with Cookies, Pop-ups, and JavaScript enabled.
- This is a Government website that is subject to monitoring.
- Viewing documents on DOD EMALL requires Adobe Acrobat Reader

Pop-ups:

If your pop-ups are blocked, you will see a yellow bar appear at the top of the Internet Explore page. Click on the yellow bar and select "Always allow pop-ups from this site". For future reference, pop-up controls are located under Tools > Pop-up Blocker > Turn off Pop- up Blocker.
